

ARMORLam®

Issue Date: 7/12/2024 Version: 2.6

REGULATORY DATA SHEET

Regulatory Information

Ozone Depleting Substances

This product is not known to contain any ozone depleting substances.

US TSCA 12(b)

This material does not contain chemicals subject to the US Toxic Substances Control Act (TSCA) 12(b) export reporting requirements.

Other Regulations / Standards

RoHS 3 - EU Directive 2015/863

Restricted substances have not been intentionally added to this product nor are they known to be present above established limits. This product has not been specifically tested for the presence of these substances.

EU. REACH Candidate List of Substances of Very High Concern for Authorization (SVHC) This material does not contain substances included on ECHA's Candidate List of Substances of Very High Concern (SVHC) in concentrations at or above 0.1%. This determination is based upon formulation and available raw material information. This evaluation is valid for SVHCs included on the Candidate List as of the revision date of this Regulatory Data Sheet.

California Prop 65 – The product does not contain chemicals at levels that are subject to regulation or labeling under Prop 65.

WEEE EU Directive 2002/96/EC

Restricted substances have not been intentionally added to this product nor are they known to be present above established limits. This product has not been specifically tested for the presence of these substances.

Joint Industry Guide. Material Composition Declaration for Electronic Products (JIG)

Restricted substances have not been intentionally added to this product nor are they known to be present above established limits. This product has not been specifically tested for the presence of these substances.

Biocides

Not a biocide.

Substances of Concern

Organotin Compounds

This product is not known to contain Organotin compounds. However, this product has not been tested for these substances.

Heavy Metals

This product does not contain any intentionally added heavy metals, such as Antimony, Arsenic, Barium, Cadmium, Chromium, Lead, Mercury and Selenium. It has not been tested for heavy metal impurities. However, based upon our knowledge of the formulation and available raw material information, we would expect the level, if any, to be below the limits established under the following regulations and/or standards: CONEG Reduction of Toxics in Packaging, Consumer Product Safety Improvement Act of 2008, The Toy Safety Standards, including ASTM F963 and European Standard EN 71-3.

Polybrominated biphenyls (PBB) and Polybrominated diphenyl esters (PBDE)

This product is not known to contain polybrominated biphenyls or polybrominated diphenyl ethers that are restricted under regulations in effect on the document revision date.

Latex

This product is not known to contain natural rubber latex. However, this product has not been tested for this substance.

Phthalates

This product contains phthalates. However, based upon our knowledge of the formulation and available raw material information, we would expect the level, if any, to be below the limits established under the following regulations and/or standards: Consumer Product Safety Improvement Act of 2008.

Halogenated Compounds

This product is not known to contain halogenated compounds. However, this product has not been tested for these substances.

PFOS / PFOA (Perfluorooctane Sulfonate and Perfluorooctanic Acid)

This product is not known to or expected to contain either Perfluorooctane sulfonic acid (PFOS) and/or Perfluorooctanoic acid (PFOA). However, this product has not been tested for these substances.

Bisphenol A

This product is not known to contain Bisphenol A. However, this product has not been tested for these substances.

Other Substances of Concern

The following substances have not been intentionally added to this product: Dimethyl fumarate, Brominated flame retardants, gold, Tantalum, Tungsten, Tin, This product has not been tested for these substances.
